METHOD 2

If You Have A Ring

What You Need : A ring and a ruler.

Before printing, make sure that the page scaling is to "None" in your print options. Make sure you are printing on standard 8 ½ x 11 size paper (A4).

Use ring sizer
to measure finger size

1. Print this page and compare the above printed scale with a real one.
2. Scale comparison is a must.
3. Place an existing ring above the scale and note the inner diameter in mm.
4. Use the ring size chart to check the size in mm against the preferred column on the next page. For e.g. if the inner diameter is 19.15mm then the ring size India is 20 and ring size USA is 9^{1/4}.
